

**Local Girl Volleyball Club
Sponsor Form 2025**

The Local Girl Volleyball Club is a new youth volleyball club in the Batesburg, Leesville, Saluda, and Lexington areas. We are looking for local businesses and people in the area that would like to help decrease the cost for the athletes on our teams by becoming a sponsor of our club.

There are a few ways to help out by being a sponsor.

Advertising on our Club Shirt: You can help out all of our players by advertising your business on our club's practice shirt. When you sponsor our club for this season your company name will be put on the back of our club shirt as a sponsor. These shirts, worn by all of our athletes and coaches, will have all of our sponsors (gold and silver level) on it. These shirts are worn at practices, tournaments, and around town. People will see the shirt and it can be a great opportunity for you to advertise your business to our area and beyond. We will also put your logo and business information on our website as an official sponsor of our club.

Donating to the club as a whole or for a specific player: If you do not care about the advertising but would still like to help out the volleyball club as a whole (would decrease the price for all players) or just a specific player or team you can simply make a donation to the club and let us know what you would like for us to do with it. This ensures that the player receives all of the money to put towards their club dues.

Advertising on our club shirt and website

Company Name: _____

Address: _____

Phone number: _____

Are you wanting this sponsorship to go to the club or a specific player or team?

Sponsorship Levels:

_____ Gold Level - \$300
